## AUSTRALIA'S NATIONAL DICTIONARY ONLINE

[www.macquariedictionary.com.au](http://www.macquariedictionary.com.au)

The Macquarie Dictionary is nationally and internationally regarded as the standard reference on Australian English. Our definitions are often used in Australian court and media.

The [Macquarie Dictionary Online](#) has more than just definitions, with over 44,000 etymologies, over 23,000 encyclopedic entries, over 130,000 IPA pronunciations and heaps of resources, you'll find everything you need and more.

- The dictionary has over 210,000 definitions and is [updated every year](#) with new entries, making it the most comprehensive and up-to-date reference of the Australian language available. It not only includes all those words and senses peculiar to Australian English, but also those common to the whole English-speaking world.
- The dictionary also includes over 25,000 audio pronunciation files to make learning new words easy. This is particularly useful to ESL students.
- Our new search display makes searching the Macquarie Dictionary Online brighter, clearer and easier to use. And our dictionary does not have any ads, so the experience of using the dictionary is easy and the least distracting option for students.
- Our [search functions](#) means students can find words they don't know how to spell using the fuzzy or wildcard search options.
- Teachers can monitor usage via the [My Account portal](#). See what words are being searched, what pages are being viewed and the number of login sessions for your account.
- We have a large number of student and teacher-friendly [resources](#) including the grammar guide, punctuation guide and common abbreviations. We also have more [general resources](#) to help you understand how to use and understand entries within the dictionary and thesaurus.
- The Macquarie Dictionary has also taken on the task of recording regionalisms (words, phrases or expressions used by a particular community in particular parts of the country) on the [Australian Word Map](#). This is a great resource for students and teachers in understanding the diversity in Australian language.
- The Macquarie Dictionary answers the needs of users on matters of spelling, pronunciation and usage for the complete record of English as it is used in Australia, from the colourfully colloquial to the highly technical. As the national dictionary and present throughout all facets of Australian culture, the Macquarie Dictionary records an integral element of what it means to be Australian.

Don't hesitate to [contact us](#) should you have any questions or if we can be of any assistance. We are always willing to listen to feedback from teachers and students so let us know what you think.
